

REMARKS

Applicant respectfully requests that the Examiner base the examination upon the attached substitute claims and drawings entitled.

The PCT claims and drawings have been revised to conform to U.S. requirements. It is believed that no new matter was introduced in revising the claims so that they are renumbered in chronological order. The drawings are substantially unchanged, although the formal drawings have been substituted for the informal drawings originally filed.

In view of the foregoing amendments, it is believed that the application, including claims 1 - 82, is in condition for allowance, and favorable action is respectfully requested. The Examiner is invited to contact the undersigned by collect telephone call to advance the prosecution in any respect.

No additional fee for this Preliminary Amendment is seen to be required. If any additional fee is required, please charge it to Deposit Account No. 04-1697.

Respectfully submitted,
DUFT, GRAZIANO & FOREST, P.C.
